This is to attest that, upon the relevant request of the applicant, EUROCERT as Third Party Authority has reviewed the Technical Construction File of the described product which found to fulfill the basic health and safety prerequisites of above mentioned Directive(s).

### **Note:**

- The manufacturer should issue a EU Declaration of Conformity according to the basic requirements of the applicable and relevant EU directives.
- The holder of the certificate shall use it in connection with the EU declaration of conformity.
- The CE marking can be affixed on the above-mentioned product with the manufacturer's responsibility, if all relevant and applicable EU directives are complied with.
- All modifications to the Technical File should be first submitted to the Third Party Inspection Authority to ensure further validity of this attestation.
- This certificate is valid only for the product and configuration described above.
